Congratulations, your request to join the [thevillageatpetrinplace](#) group was approved by a group moderator.

**Get started with your new group**

Google Groups allows you to create and participate in online forums and email-based groups with a rich community experience. You can also use your Group to share documents, pictures, calendars, invitations, and other resources. [Learn more.](#)

[Visit the group](#) 

Hi Everyone,

Yahoo Groups is shutting down on December 15, 2020 and our “thevillagesf” group will come to an end. It was useful for residents to ask questions and discuss topics about life at Petrini Place.

To continue this capability, a new Google Group has been created called [thevillageatpetrinipalace@googlegroups.com](mailto:thevillageatpetrinipalace@googlegroups.com).

In order to start fresh, we are **not** moving everyone over to the new group. You will need to request to join. There are links and instructions on the LOCAL INFO page, under LOCAL ORGANIZATIONS & INFORMATION on

<https://thevillageatpetrinipalace.com/local-info/> or go directly to:

<https://groups.google.com/forum/#!forum/thevillageatpetrinipalace/join>

Note:

- If you sign up with an existing GMAIL email account, once accepted you can use your Google Account to access the Group and see and search prior conversations in addition to sending messages from the Group dashboard.
- If you sign up with a NON-GMAIL email account (Yahoo, AOL, etc.), you will access the group only through emails just like the current Yahoo Group access.

Once your request is accepted, start a discussion by sending an email to: [thevillageatpetrinipalace@googlegroups.com](mailto:thevillageatpetrinipalace@googlegroups.com) and it will be distributed to all members as a **new topic**. You may also reply to any email you receive from the group and your reply will be distributed to all members as part of that **thread or topic**.

If you have any problems signing up, please check that your email address was typed correctly and that your SPAM folder is not catching replies. If you have any questions or problems please use the “WEBSITE QUESTION?” form on the CONTACT page of [thevillageatpetrinipalace.com](https://thevillageatpetrinipalace.com) website.

Like the Yahoo Group, this new Google Group is private and open to owners and residents of Petrini Place. It is **not followed or monitored** by the **HOA Board, Bay West Management**, or the **Property Manager**. If you have any immediate problems or property issues, please contact the appropriate party for a formal response.
